Hi John,

Thanks in advance for your help. I don't need an immediate answer, but your thoughts on the paper around mid-December would be really helpful.

PS I am cc'ing Pat, Undine and Eric in Region 1 so they are aware of this conversation. I will also reserve some time in our calendars to have our initial conversation around mid-December. We can always reschedule this meeting if we need to.  
Thanks. Jessica

Michael – Thanks for forwarding and I will share with Bob McConnell to discuss and get back to this group. In terms of timing, we are wrapped up in the review of the 2015 transport rule preamble for this week. Can you give me a sense of when you need comments/thoughts by?

Do you have someone who would be knowledgeable about these issues who we could tie into Jessica's efforts on formulating a reaction to this paper? Thanks.
